

CRYSTAL PARK FIRE DEPARTMENT MAR. 2015 MONTHLY UPDATE

1. **Incidents:** There three toned out incidents in March (2 Smoke Investigations, 1 Move-up Assignment w/MVA)
2. **Grant Update:** The two ensemble's that we are able to purchase from the FEMA grant cost underage.....have arrived. Joan attended a review for our State Medical Grant application and funding. We did not get the VFA (Wildfire) grant. We did get he state Safety Grant for 10 sets of PPE and 5 SCBA's.
4. **Training:**
 - A. Four personnel are still participating in the MSFD FF1 Training class. This training class is going to run through April. They will still have to take the HAZMAT training course which is scheduled for August.
 - B. March's training was excellent! We continued our revised response using our Mini-Pumper (925) as the first attack engine at the house and pumping to it from 961. 961 performed admirably and had no issue pumping (150psi) with a 95' elevation gain.
 - C. In April we are going to focus on Wildland Training and preparedness.
5. **Apparatus:** The conversion of 910 to 951 (utility Truck) continues. The hose bed is out, the water tank has been removed and the next step is to rebuild the hose bed to haul our 4" supply line.
6. **Membership update:** No new members pending at this time.
