## Crystal Park Metropolitan District Budget Message For 2020

The Crystal Park Metropolitan District operates on a cash basis method of accounting.

The basic function of the District is to provide fire protection. This is done through the Crystal Park Volunteer Fire Department, which was created and exists under the auspices of the District, and through an Automatic Aid Agreement with the City of Manitou Springs. The District pays for the continuing costs of the Fire Department, including such costs as Workers Compensation insurance, liability, equipment and vehicle insurance, radio licensing and maintenance fees, and costs associated with the Use Agreement for the building that houses the Fire Department. The District and Fire Department will continue to apply for governmental and private sector grants, and continue to raise money through donations and fundraising activities – any expenditures using such revenues will be contingent upon the realization of the revenue. All these are reflected in the District's 2020 Budget.

The Crystal Park Homeowners Association (CPHOA) will provide funds to the District for vehicle insurance on one shared-use vehicles that is insured by the District.

An additional function of the District is to ensure that street and house number signs and water storage and supply systems are provided so that emergency responders can find affected locations as well as access water for fire suppression. This is an ongoing task, which will continue.

Taxation – The District has been funded through property taxes since 1997. As provided for in the election of May 2, 2000, the tax levy of 4.192 mills will continue unchanged for 2020. Tax revenues for 2020 will modestly increase due to new home construction in Crystal Park.
