

CRYSTAL PARK VOLUNTEER FIRE DEPARTMENT JANUARY 2012 MONTHLY UPDATE www.crystalparkvfd.org

1. Incidents: We had one call this month for a smoke investigation which turned out to be unfounded. CPVFD volunteers continued to support numerous other calls in Manitou Springs this last month to help maintain our proficiency as a **Fire•Rescue•EMS** organization.

2. Grant (AFG) Update: Received word that we were not selected for the AFG 2011 grant we submitted for 6 new radios. VFA grant period has opened. We were informed that we may be able to receive additional funds with this 50/50 split grant that could go towards the Tender.

3. CPVFD “5th Anniversary” Celebration Planned: On February 18th, we are planning a celebration of our five year anniversary. We will have an open house format where residents can come and go, ask questions, and display our equipment.
