

FIRE SEASON 2014

Waldo Canyon, then Black Forest. Is Crystal Park next?

We need to talk

What: Crystal Park Community Meeting of Critical Importance

When: Sunday, March 16, 2014, 2:00 until 4:00 pm

Where: CPFDF Station (enter off Palmer Trail just before the tennis courts)

Who: We have assembled local and state experts to talk about what we can do as a community; what you can do individually; and to answer your questions about the coming fire season.

Why: Because Wildfire! The Community Wildfire Protection Plan Advisory Group has been tasked by the Crystal Park Homeowners Association to set priorities and develop a plan of action to safeguard our residents and prevent our homes from going up in smoke. We have been working on this, so you might want to know what is going on!

Program:

- An Alarming Video to Start Things Off THE FIRELINE: WILDFIRE IN COLORADO
- Our Panel of Experts

Step 1 Get an expert in here to make recommendations: "The Worley Report"

Step 2 Set priorities: Evacuation and safety zones

Step 3 Get going on projects: (The Masticator!) This is going to cost \$\$\$\$.
Where do we get the big bucks??

Step 4 What's next: Cutting zones? Neighborhood projects!

- A Personal Story from Black Forest
Losing a Home to Wildfire: "I wish I knew then, what I know now." Howard Donaldson, JD
